

Student Crafter Info & Application

Student crafter application (grades K – 12) The Bedford Foliage Committee would like to invite school aged children (grades K – 12) to sell their crafts at this year's festival. The committee will offer free tent space the second weekend of the festival, October 12 or 13th, to any interested students. The student crafters area is a pre-designated area at the Fort Bedford park. The craft must be made and sold by the students. Parental supervision will be expected with younger participants. The committee will provide a tent; the crafter must provide their display table. A complete set of rules and schedules will be sent after the close of registration on September 15, 2019. You must sign up to participate. Due to new food service regulations, no food products prepared in your home kitchens can be sold. Space is limited and your day choice cannot be guaranteed.
